Thank you for supporting [insert your organisation's name]

All over the country today, artists and arts organisations are participating in a National Day of Action to protect funding for the arts. We are meeting TDs and celebrating what we do with special events.

Our message is simple. The arts are a necessity. Not a luxury. The arts are an asset. Not an overhead. The arts enhance our reputation, generate growth, drive tourism and enrich us as citizens.

We know you understand this. Please add your voice to our campaign by sending an email to your TD. It's easy to do. Simple click here ([insert link to ncfa.ie website](#))

Thank you for your support.
